## Subject: KIYHSF 2010 Sponsorship Invitation

The Kingston International Youth Hockey/Sports Festival (KIYHSF), held in Kingston, ON, is an international hockey/sports tournament for amateur AA/AE/AAA players. The tournament brings together boys and girls in the following age groups: 1996-2003.

Your consideration to sponsor this on-of-a-kind event will be appreciated by your community! We are highly confident that the KIYHSF will continue to grow and develop into one of the most prestigious summer sports festivals in North America. With your help, KIYHSF will be able to flourish and generate positive benefits for Kingston's business community.

Teams for all over the World participate at the KIYHF

If you have a business you'd like to promote, or if you just want to contribute to the life of a deserving youth hockey player, becoming a KIYHSF Sponsor will allow you to do just that!

The support of generous sponsors like yourself will help push such an event together. We offer various sponsorship programs described in the next page. The tournament program will be distributed throughout the event to all teams and patrons. This will not only be a great way for you to promote your business, but you will be facilitating the development of many local young athletes through competitive sport and team education. This experience will help to shape their future and will continue to pay dividends for the local community.

Please complete the last page of the attached form and return it along with your advertisement.
